New Moon Ritual:

- 1.) Within 24 hours after a New Moon, take a cheque from your cheque book. Where it says "Pay to," write your name.
- 2.) In the little box on the same line where you would fill in a UK Sterling amount write "Paid in full."
- 3.) On the line underneath your name, where you would write out a sterling amount in figures, write "Paid in full."
- 4.) Sign the cheque: "The Law of Abundance."

Do not put a date on the cheque. Do not write a specific amount in the cheque. Put it in a safe place and forget about it. The Universe will take it from there. If you don't want to use up one of your cheques, you can use the blanks below.
